Overview

This beautifully designed single story floor plan provides 1, 755 square feet of living space and has 3 bedrooms and 2 bathrooms. The home has an excellent layout with an open floor plan design. Inside this home, you'll find all the luxuries you would expect from a custom home but at an affordable price with plenty of available options. Pinefield Homes provides numerous options for the interior and exterior such as stone, brick, decking, garage, and more. We can even customize the layout to fit your needs. Pictures are representative only and show options and customizations not included in the base price. Total price includes an ESTIMATE BUDGET FOR SITEWORK. The actual sitework number may vary depending on the final engineering and final approved plans, and actual site conditions.
