Overview

Stunning Home recently renovated from the roof to the basement. 2.5 fully renovated bathrooms down to the studs. Enjoy the many amenities on the first floor beginning with refinished hardwood flooring, 2 fireplaces, one natural in the living room and gas in the family room surrounded by large Antique corbels and 5 crown molding, new walls, flooring and a new door wall that takes you out to a newly renovated deck. A modern twist to an English inspired kitchen with its leaded glass windows and pantry with Cremone closure. New cabinetry, electrical, lighting, flooring, appliances and a huge farm sink. A favorite touch is the attention to detail in the primary bedroom bath with its slipper soaker tub and antique inspired fixtures to the woodwork surround. A beautiful home for the discerning. Move in ready!
