Overview

Attention investors!!! Don't miss out on the chance to own this beautiful duplex!!! This unique opportunity offers a blend of personal retreat and investment potential, nestled in the charming town of Valdese, North Carolina. With its breathtaking year-round mountain views, expansive deck, and a host of incredible features, this property is an opportunity you won't want to miss. This duplex has so many possibilities for investors and individuals/families alike. Imagine walking out the back door to an over 500 sq ft deck with your morning coffee overlooking incredible views of the mountains. With a large basement with high ceilings, it is the perfect place to have a workshop or to provide ample storage. Don't miss out on this property as it will not last long! Updates include new roof and gutters as of August 2023 and updated flooring, kitchen, and bathrooms in both units. The basement area could be converted into 2 more additional units!!! Schedule your showing today!
