## Overview

Beautiful Family Home with Exceptional Features! Welcome to this classic colonial in a highly sought-after neighborhood, offering an ideal blend of elegance and comfort. The inviting foyer, featuring lovely wainscoting and a graceful staircase, opens to a private, wood paneled library complete with built-in shelving. The sunlit living room and sophisticated dining room provide perfect spaces for both relaxation and entertaining. The expansive family room boasts two distinct areas, highlighted by a skylight and two French doors which lead to a picturesque stone patio and a beautifully landscaped yard. Pella windows throughout the home insure energy efficiency and timeless style. The heart of the home is the large kitchen, featuring Corian countertops, a Sub-Zero refrigerator and gleaming wood floors. All appliances are included in the sale, making this kitchen both functional and ready for your culinary adventures. Upstairs, you'll find generously sized bedrooms, including one with a sitting room. Storage is abundant throughout the home, ensuring a place for everything! The attached garage includes an enclosed breezeway connecting the house and garage, along with an additional covered storage or work area behind the garage, perfect for hobbies or projects, all out of sight of your backyard entertaining areas. This home also boasts a new tear off roof, a newer furnace, gutter guards and driveway. Don't miss the opportunity to own a beautiful family home with

plenty of extras! Schedule your private tour today!
