## Overview

Presenting an attractive investment opportunity to acquire a thriving resort on Bull Shoals Lake. This charming property boasts 13 rooms, including 8 with kitchens, offering great views of the lake or pool. With a spacious 1200 sq ft manager's living space and a community room for events, guests can enjoy a comfortable stay. The resort features an inviting 18x30 inground pool and convenient lake access, catering to fishermen, motorcycle groups, and families. Parking for 13 trucks with boats is available, along with accommodation options for large groups through connecting rooms. Additionally, a rented boat stall at a nearby marina is available. The property includes a garage that could be used for storage or repurposed as additional living space. Situated near restaurants, shopping, and Brown's Beach, this resort is a sought-after destination near Bull Shoals Lake and the White River, making it an ideal opportunity for fishing enthusiasts and investors in the vibrant tourism sector.
