## Overview

Come take a look at this one of a kind property today! Featuring 5 bedrooms, 3 bathrooms, and ample space for the whole family, you don't want to miss out. Whether you are looking to entertain guests or the perfect home for a large family, this generous living space has it all. If that isn't enough, your kiddos would even have their own play area upstairs, all to themselves! Or send everyone outside to lounge by the large above ground pool, providing relaxation and recreation during those hot Arkansas summers. You even have an extra spacious 12x20 storage shed for your outdoor needs and storm shelter. Not to forget is the studio mother-in-law quarters with its own private entrance, bathroom. and small kitchen. This one won't last long, come take a look before it's too late!
