Overview

Absolutely stunning property on 30 acres. This sprawling property is composed of five buildings. Inside the main log home, you will find an light and open kitchen complete with stainless steal appliances, and plenty of cabinet space. The open living area is complete with vaulted ceilings and a wood stove. The dining room has direct access to the front porch which over looks the lush green property. The main floor has two large bedrooms and two full bathrooms. Upstairs is a small loft area that can be used as living space or for extra storage. Downstairs you will find the third bedroom with walk out access. There is ample space to finish and use as you please. The 50X36 barn is breathtaking. Complete with 6- 12X12 stalls, a feed room and a tack room. The barn has a direct water source and beautiful cathedral ceilings. Above the detached two car garage you will find a semi finished living area that would be the ideal rental or air-bnb for fellow outdoorsman and horse enthusiasts. There are two additional out buildings perfect for sheltering animals or using for additional storage. The property itself has a fenced in horse pasture, 24ft. above ground pool as well as many trails to use for horseback riding, snowmobiling or for atv rides.
