Overview

What everyone is looking for, level parcel with romantic sunset views over a great recreational lake. This wooded parcel has the driveway into a great building site for your home or cabin and power is at the road. In this area you can build just 50 feet from the waters edge! Enjoy 105 feet of sand and some small rock shoreline, great for swimming. Just seconds out the back door and you're in the Ottawa National Forest and all it's amenities. The village of Presque Isle is just 10 minutes away and offers all the necessities one needs to enjoy lakefront living. Stateline Lake does not have any public access, so no crowds on weekends and holidays, plus it offers excellent fishing and boating around it's many bays and islands. You need either a Wisconsin or Michigan fishing license to catch dinner on the lake.
