Overview

Escape to the serene countryside with this charming, turn-key home and ADU, all for under \$500, 000! Nestled in a tight-knit cul-de-sac, this inviting property offers three spacious bedrooms, two bathrooms, and a two-car garage, along with ample driveway parking. Step inside to discover a recently updated and meticulously maintained interior. The welcoming foyer opens up to a bright and airy open-concept living space that seamlessly connects the living room, dining area, and kitchen. The kitchen is the heart of the home, featuring matching stainless steel appliances, elegant wood cabinetry, and abundant storage. The guest bedrooms are generously sized with large closets, while the master suite offers a walk-in closet and a double sink vanity for added luxury. One of the standout features of this home is its perfect blend of rural tranquility and modern convenience, being just a short drive from Paso Robles. Relish in the charm of small-town living, complete with the ability to keep chickens and ample space for trailers, recreational toys, and tools. Not to mention, you can live completely off grid and enjoy you're own solar system with two back up generators! Enjoy the peace and quiet of a quaint neighborhood while still being close to all the amenities you need. Don't miss this opportunity to embrace affordable country living at its finest!
