Overview

Find your dream property: a Barndominium or a Greenhouse! Welcome to a one-of-a-kind chance to get the best of both worlds: a 50x100 metal building ready to be turned into your dream home or a thriving garden paradise. This property, which covers an enormous 7.53-acre area, has a lot of untapped potential and endless options. A structure that is flexible: The 50x100 metal building frame gives you room to use your ideas. With 800 amps of power and plumbing, it's ready to be customized, whether you want to make it a cozy home or a successful greenhouse business. Ready to be customized: Now that the basics are in place (like plumbing and enough power), you can add your own artistic touch. You can make your dreams come true by adding flooring, insulation, sheetrock, tape, and mud to fit your needs. Lots of Land: Enjoy the luxury of room on 7.53 acres that have access to a pond and road frontage. You can broaden your view for fun, agriculture, or more progress; the possibilities are endless. Expansion Potential: You are able to purchase an additional 7.53 acres that has the same benefits as the original land, including access to the pond and road frontage, without having to get any easements. This will give you even more space to grow and create. This property is like a blank canvas, ready for your artistic touch. It's an open place where your creativity can grow. Whether you want a peaceful barndominium, a successful greenhouse, or a mix of the two, this is a chance that begs to be explored and changed to fit your needs. You shouldn't miss the chance to own this amazing property and turn it into the home of your dreams.
