## Overview

Charming Craftsman style home on a huge corner lot with tons of tasteful upgrades throughout. Spacious kitchen features new appliances with gas stove, granite countertops, pantry, and tile backsplash. Hardwood floors throughout, gas fireplace, newer gas water heater, upgraded main level bath with marble floors and modern fixtures. Primary suite has walk in closet, designer tile shower w/ soaking tub, and newer fixtures. Two additional bedrooms upstairs, laundry room, and an additional room that can be used as bonus room or office space. Exterior is an outdoor oasis with tons of privacy. Freshly landscaped, large patio area, fully fenced with two entry ways, gazebo, and shed to stay. Central Air included. Plenty of storage and this gem is located in an amazing area. A must see!
