Overview

This remarkable home has all the features you could possible want; 3 bedroom, 2 bath in main house. Living room with fireplace with insert, kitchen with eat in dining area, stucco home with arches along the entire north and south sides of the house. The yard is like your own private forest with a pond at the edge and a walking bridge from the yard to the middle of the pond. There is a breezeway between the house and the two car garage. The 1 bedroom guest cabin is also stucco. It has living area with a kitchen area, 3/4 bath. (bath is not hooked up to any septic). There is a flowing fountain in the front yard and one that can be between the main house and the guest house. a concrete sidewalk in both the front and back make access easy. There is a garage (house really) on the upper level of the property. It has a bedroom, bath, kitchen, office area and two decks. This home is a MUST SEE TO BELIEVE
