## Overview

Horsing around is what you will be doing in this quaint little ranch! It has excellent fence for the horses, a two stall horse barn with a tack room, overhead fans and lighting. Quiet little home sitting on almost 6 acres right on a state highway. It has 2 bedrooms, 1 bath, walking closet/laundry room, and a third room that could be an office or a bedroom, newer appliances, a 20x20' insulated shop with electricity. Hard to find move -in ready hobby ranch! Stop horsing around and schedule a viewing with Richie Tipton at or call/text
