Overview

Awesome chance to secure premier building property in prestigious Western Shores! Sitting at just under 3 acres this lot offers the perfect size to build your dream home. This beautiful subdivision is only 15 miles from the heart of Murray and comes with multiple fantastic amenities to fully enjoy your lake living experience, including a fun and inviting members only pavilion with an infinity pool and spa right on the water, walking trails, as well as fishing and picnic parks. 3 covered marinas, 2 boat ramps, and an assortment of first come first serve slips are also all available for community docking/use. Beautiful custom homes nearby! Come look in person and see the fantastic waterfront lake life this community has to offer!
