Overview

Embrace the tranquility of country living in this spacious custom built home sporting 3, 420 square feet of sheer bliss nestled on three acres within minutes of Jacksboro. The focal point for the massive den is the custom rocked fireplace adorned with gas logs that allows one to have a cozy fire with a moments notice. Your very own private retreat can be to the primary bedroom that offers an additional fireplace. The kitchen sports all the modern amenities including stainless refrigerator, six burner gas cooktop, ice maker and two dishwashers. Pantry also includes two additional full-sized refrigerators and numerous cabinets. The oversized entertainment room will certainly be enjoyed by all. Custom built in 2014, this five bedroom, three bath dream home awaits you! Property also includes a 2, 400 square foot shop, with two overheads doors, a drive-through, covered awning for RVs or other equipment. Shop is fully insulated, with electricity and an office with AC. Accessed by easement.
