## Overview

Check out this 5, 000+ sqft custom home!! This beautiful two story home sits on 1.5 +/- acres in the Country Club. The home is complete with a chef's kitchen with stainless appliances, wine cooler, prep sink, pan drawers, large island, granite counters, GE Monogram gas range and hood, plus much more! There is a spacious formal dining room, open concept living room with vaulted ceilings, office space with French doors, laundry room that comes with washer and dryer, master bedroom with heated floors, and spacious walk in closet. Master bathroom has tile, jacuzzi, and walk-in shower with dual shower heads. Multiple entry to two decks from master bedroom and bathroom that overlook the inground pool. The back deck is screened in, and the one on the side was recently added and ready to finish out your way. Main floor also includes another bedroom with full bathroom and walk-in closet. In the basement there is a home theater room and wine cellar. The second floor of the home is a spectacular sight to see that gives plenty of extra space for the imagination to use, including two bedrooms and a full bath. The home comes with 4 car garage spaces within an attached garage and a detached garage that could make the perfect workshop or for classic cars. The attached garage enters into the house on the main floor. There is a greenhouse that is on

the property that has plenty of potential to finish out as the perfect Pinterest ideas brought to life!  
Complete with landscaping and brick walkway.
