Overview

Rustic Cabin located on Yamacraw which is a river that runs into Lake Cumberland. Boat and canoe dock close. Located in Big Southfork National Park and Recreation Area. Comes with 12 Acres that would be good for building additional cabins. Has municipal water and internet service. Currently operated as a vacation rental through a vacation rental site. Cabin completely remodeled in 2023. Close to many hiking trails and water falls. Also close to the town of Stearns which is home to the Big South Fork Scenic Railway providing a train ride through the mountains and to the old coal mining towns.
