Overview

Welcome to 4 Shore Road! Sited on a private road artfully situated to capture expansive views of the Rachel Carson National Wildlife Refuge from almost every room. High-end, spacious and thoughtful construction throughout with soaring stone fireplace , upgraded appliances, finishes, fixtures and architectural details (i.e., the use of beams, brick, wide pine flooring and bead board.) this 3, 219 square foot home is heated by radiant heating including heated sunroom flooring. Air conditioning is delivered by a 5-zone Mitsubishi heat pump system. Ceiling fans are installed in all bedrooms, family room and main bathroom. Beautiful 3-season landscaping with extensive hardscape includes bluestone patio, two decks and screened porch for easy outdoor living. A maintained path provides access to 190 feet of Little River frontage for family fun. 4 Shore Road has an exceptional location, private yet with close proximity to 3 of the best beaches in Southern Maine, UNE, restaurants, services, healthcare and the towns of Biddeford, Kennebunkport, Cape Porpoise and Kennebunk Added amenities include: Heated garage A built-in sauna in the main house A separate structure (with new roof, heat, electricity and water) can be used as a studio, bunkhouse or potting/landscaping shed. Often sought , but seldom found, this exquisite gem awaits your arrival.
