Overview

This 2 bedroom, 1 bath ranch with 2 car garage has nice vinyl siding, newer roof and vinyl two pane windows. The garage is a block garage, but the roof needs replaced. The interior of the home has nice sized rooms but needs work. The master bedroom has knotty pine paneling, a built-in chest of drawers and his and her closets. The bath has a tub/shower combination, single sink with vanity, stool and an additional dressing vanity and needs a total remodel. Small kitchen with dining area and laundry in what used to be an enclosed porch off the kitchen. Property is on a crawl space and plumbing and boiler system will need to be replaced. With some work, this property could make a nice home. Home is being Sold As IS with any personal property that is on property remaining. Stove and refrigerator are not warranted.
