Overview

Welcome to this captivating home in Macedonia, located in the sought-after Nordonia Hills school district. This bright and airy property highlights a flowing floorplan and fabulous outdoor living space! A pretty patio and walkway lead up to a covered front porch and 2-story foyer. Be greeted by the spacious, formal dining room featuring elegant crown molding. Glass French doors open to the formal living room with a bay window. The heart of the home is the inviting family room, boasting a mantled fireplace, abundant windows, and a set of glass French doors. The expansive kitchen is a delight, equipped with extensive cabinetry, beautiful countertops, stainless steel appliances including a dishwasher and stove both updated in 2023, and an eating area with sliders to the deck. A convenient half bathroom and laundry room complete the main level. The owners suite is complete with an ensuite bathroom featuring a Jacuzzi tub, separate shower, ample storage, and a walk-in closet. Three additional bedrooms and a full bathroom complete the second level. The finished lower level includes a family room and an additional rec area, perfect for entertainment. Outside, the .62-acre yard offers a deck with an above-ground pool, a fire pit, play area, and shed with updated electrical. The property also includes a 2-car attached garage with updated electrical with multiple outlets. Dont miss the opportunity to own this beautiful home in a prime location!
