Overview

Enjoy the picturesque setting and abundant beauty from the lush, wooded countryside afforded by the exclusive gated community of Forest Creek Estates in East Edmond. The sophistication and uniqueness of this development is immediately showcased upon arrival. Extensive landscaping, large boulders and waterfalls set the tone for the rustic and modern Colorado inspired mountain scenery. The 5 acre lake and 15 acre nature preserve will inspire you to enjoy the ability to disconnect and take full advantage of the serene amenities offered in this environmentally friendly community. This land was developed and designed specifically for those who wish to create their own distinctive oasis. Located just minutes from the continuously developing I-35 corridor, the convenience achieved at this location adds to the expansive list of qualities this development offers to future residents. See attached for covenants and approved builder list. Developer will not consider other builders at this time.
