Overview

This only 8-year-old home with modern decor sits within beautiful Okeechobee just north of Lodi. Surrounded by many access points to Lake Wisconsin for water recreation during all seasons. The home's multiple levels offer both great family gathering spaces and individual privacy space. It boasts a wonderful loft primary bedroom suite that has tons of closet storage and a tiled walk-in shower. Also enjoy features such as a gas living room fireplace, a huge kitchen pantry, and conveniently located bathrooms on all levels. The backyard with its large deck and firepit patio will likely become your favorite R and R location with ample green space to call your own. Rest assured it has the space to conveniently store your watercraft during the boating season with an oversized level concrete parking pad.
