Overview

Very nice brick ranch on a VERY-LARGE-LOT in an area of large, newer homes. Great floor plan with the kitchen and breakfast room looking out on the expansive rear yard. The rear door from the breakfast room leads to a deck- perfect for morning coffee or a BBQ. Dining room is open to the very large living room with a white stone fireplace. All newer appliances stay. Replacement thermo windows, recently restored full bath and new fixtures in the half bath. Though radon levels have never tested above EPA standards, a radon mitigation system has been installed. This home is located in the much sought Gower and Hinsdale South school districts. Nearby is access to I-55 and shopping, banks and restaurants at the upscale and popular Burr Ridge Village Center.
