Overview

If you want the quiet of the country but your spouse wants the neighborhood, then this is the home for you. Nestled on a serene 1/4 acre lot at the back of the subdivision, this home blends modern elegance and natural beauty, with a peaceful tree-lined backdrop. This spacious home was built less than a year ago and is still like new. This property offers a modern, inviting interior with high-end finishes. The open floor plan perfectly integrates the living, dining, and kitchen areas. The master suite is a true retreat with two walk-in closets and a luxurious en-suite bath. Additional bedrooms are generously sized for comfort and privacy as one of them includes its own private full bath. Conveniently located just 10 mins from the new Walmart Headquarters, this home is perfect for work and play. With its prime location, contemporary design, and inviting atmosphere, this home epitomizes modern living. Don't miss the opportunity to make this exquisite property your own! Shed and fridge convey with acceptable offer.
