Overview

This spacious 4-bedroom, 3.5-bath home boasts luxurious amenities, including two wet bars and a large greenhouse in the backyard. The master bedroom features a negotiable standing hot tub jacuzzi just outside on the master suite patio.. A huge circular driveway provides ample parking, with additional parking space on the large driveway. The property showcases new and updated landscaping, with much of the front yard beautifully zero-scaped. Inside, you'll find modern finishes with no carpet throughout the home, ensuring easy maintenance and a contemporary feel. Host your next party here while enjoying the extensive backyard space or cozy up and watch a movie in either of your two living spaces. This home is ready to be made yours with so much potential.
