Overview

Here is an exceptional one. Own the whole city block. Nice 3 Bedroom home with the potential for a 4th Bedroom on the main floor, 2 Baths, Updated Kitchen, Generac generator backup and partial basement. Then there is the 24X 60 awesome garage with insulated work area. There is another structure on the property that appears to be savable, and you can use your imagination to make it what you want. This was previously an additional small home. Lots of fruit trees, rhubarb and asparagus on the lot. This will make someone a great place to call home in the great community of Manlius.
