## Overview

Seated on 36.63 acres is a beautiful two-store classic farmhouse with a large front porch, perfect for enjoying your morning coffee or watching the sunset. This gorgeous home has four bedrooms and two full bathrooms with the possibility of being six bedrooms. There are magnificent wood floors throughout this home, some from the original build of this home in 1900's, still in excellent condition. Much of the interior woodwork is original oak trim, doors and hardware. With a few barns on this property, the possibilities are endless for storage, livestock, or anything you put your mind to.
