Overview

Welcome to this exquisite home in a desirable cul-de-sac neighborhood. This well-maintained Colonial offers 4 bedrooms and 3.5 baths and was completely renovated studs out in 2005. With over 6,000 square feet of living space and a three car garage, this home provides ample room for hosting family gatherings and entertaining guests. The welcoming two story foyer leads to an updated chef's kitchen featuring high-end stainless-steel appliances, Caesar stone countertops and decorative backsplash. The family room with cathedral ceilings, surrounded by windows overlooking the professionally landscaped backyard. French doors open to a private office /study w/ fireplace. An additional cozy library with fireplace, provides a perfect retreat. Custom millwork enhances the formal living and dining rooms. The stunning master suite includes a steam shower and jacuzzi tub. The patio features hand-cut stone retaining walls and a custom designed outdoor fireplace. Finished Basement remodeled in 2019
