Overview

The stunning 3 bedroom, 3.5 bath home for sale boasts a plethora of desirable features that make it a dream property for any homeowner. From the spacious layout to the high-end finishes, this custom-built home has it all. One of the features of this home is the extra space, an office and loft, perfect for those who work remotely or need a dedicated workspace. The bottom floor space offers versatility and can be used as a guest suite, in-law quarters, or rental unit for additional income. This space includes a living room, kitchenette, full bath, walk-in closet, and bonus room that is used as an additional bedroom. The crawlspace provides ample storage space for all your belongings, while the 2 car garage ensures that your vehicles are protected from the elements. The thru-flow dock and boat lift make it easy to access the water, perfect for boating enthusiasts. The kitchen is a chef's dream, featuring a gas cooktop, double ovens, and custom cabinetry. The custom closets and built-in bookshelves throughout the home offer plenty of storage options. Cozy up by the gas fireplace in the living room, which features luxury vinyl plank (LVP) flooring and impact-rated windows. Step outside onto the Trex decking and enjoy the water views from the comfort of your own home. The PVC handrails, custom pavers, and concrete driveway add to the curb appeal of this

meticulously maintained property. Overall, this custom home is a rare find and offers all the amenities one could desire in a waterfront property. Don't miss out on the opportunity to make this house your forever home.
