Overview

Need a 5 bedroom home? Look no further! This nice home is close to many essential places, ie. UPMC hospital, grocery supercenter, post office, Cranberry Schools and more. This move in ready home awaits you! The kitchen area has lots of cabinet and counter space with stainless appliances. The utility room is the large mud room area as you come in from the garage. Enjoy family time in the open dining room - living room area. 3 bedroom and full bath on the main floor with 2 beds and a game room area in the lower level. Walk out basement is convenient to the fenced in back yard. Seller loved to garden and there is plenty of space for that too!
