Overview

This spectacular lakefront home on Lake Auman offers incredible wide water views from almost every room! With over 5,000 square feet, this house has all the space and comfort you would expect in an exceptional custom home. The floorplan is open and sun-filled for maximum enjoyment of all the water views. The primary bedroom is on the main floor. The kitchen and adjoining informal dining area have wonderful views as does the open living area with access to the deck overlooking the water. Downstairs there is an incredible two story library/office - has to be seen to be appreciated - and another full living area with access to a covered patio. Downstairs there are also 3 additional bedrooms and two full baths. Too many features to list!
