Overview

Here's a fantastic rural residential property on approximately 10 acres in Richland County! This nearly 2, 500 square-foot home features five bedrooms, two full baths, a partial basement, and an amazing two-car detached garage. The six acres of fenced pasture with pond offer multiple options for horses, cattle, chickens, and other livestock. Two buildings within the pasture area are prepped with a horse stall and chicken coop, and there's ample space for a vegetable garden as well! If you're searching for country living on a beautiful homestead, this is the right spot for you! Call Cory for additional details and schedule your private showing today! MLS# 11322876
