Overview

Situated just outside the town of Knippa, this expansive 14-acre property presents a well-maintained pre-owned manufactured home, seamlessly blending comfort with rustic charm. Beyond the residence, the grounds reveal a dedicated indoor and outdoor roping area, catering to equestrian enthusiasts and offering a versatile space for practice and recreation. With plenty of room for expansion and customization, this property provides a blank canvas for realizing your vision, ensuring that it can effortlessly accommodate any additional features or amenities you may desire. Also boast of a large metal barn or big shop 35x50.
