Overview

This meticulously maintained Colonial home, built in 1993, offers an ideal blend of comfort, convenience, and extreme privacy. Nestled on a 1.22-acre wooded lot on a cul-de-sac, the spacious interior boasts 4 bedrooms and 2.5 bathrooms, with plenty of versatile space throughout. The main level includes a cozy fireplace, formal dining room, and ample room for entertaining. The finished walkout lower level, with full-sized windows and high ceilings, makes a perfect space for a family room or additional living area. Recent updates include an oil burner and tank, roof, and two-zone central AC. The property features a back deck perfect for relaxing and a two-car attached garage with garage door opener, plus 6 off-street parking spaces. Conveniently located minutes from Route 9, Route 95, the MassPike, and the commuter rail, this home provides easy access to public transportation. This home is both practical and comfortable, making it a perfect retreat.
