Overview

This spectacular 2013 colonial located in Sand Hills showcases the best in craftsmanship and luxury living. The radiant-heated bathroom floors, coffered ceilings, and gas fireplace crafted from beach stones highlight the attention to detail in this home. Enjoy entertaining at the bar, deck, covered porch, and the convenience of an outdoor shower for those beach days. This luxury home will capture the heart of the most discerning client. The property includes a 2-bedroom in-law unit, perfect for extended family or guests. Additionally, a finished 3rd floor provides great extra space for a home office, playroom, or additional living area. Located just minutes away from all Scituate amenities, including shopping, dining, theatre, and more. Minutes to the commuter rail to Boston.
