Overview

Discover lakeside living in Whitney, TX! This stunning property provides lake access and a resort-like atmosphere with three entry gates ensuring ample parking. The main house boasts a grand living room with a cozy wood-burning fireplace, a master bedroom with direct outdoor access, and a spacious back porch. Adjacent to the main house is an oversized garage where you'll find guest quarters featuring 1 bedroom, 1 bathroom, a full kitchen, a loft, and covered decks. To the left of the main house, a unique fire pit and seating area provide a setting for outdoor gatherings. The property also includes a 220 RV hookup with water and septic connections, an oversized chicken coop, a seasonal creek with a bridge crossing, and a 20x40 insulated metal workshop with electricity. There is a storm shelter tied into a Generac whole-house generator. With 2,118 sqft in the main home, 940 sq ft in the guest quarters, and a large garage this property is amazing.
