## Overview

A great property with pond, seasonal creek, hay meadow plus terrain change and elevations. This property is off Gebert Road in the O'Quinn area just north off FM2238 Engle Texas. Has plenty of terrain change and elevations and beautiful sunsets. Has a nice pond and a pad site already there for that home. Has a seasonal creek on the south side with many nice trees and brush for wildlife habitat. On the fence line line off Gebert Road has many bamboo grasses or stems that are on the property. Power is close to the property. The fence line along Gebert Road has a variety of native plants including wild dewberreties, Mustang GRapes, and Giant Bamboo Cane stalkes to add privacy along Gebert Road. Colorado Valley Communications is in the process of running fiber optic cable ffor the community. Property has no production, no drilling rig padsites and no minerals to convey. You really got to see this great property. Very quite and secluded and hardly no traffic in the area off of Gebert Road.
