Overview

Stunning 3 story luxury brownstone can be yours. This beautiful home has recently been painted throughout, has replaced flooring and updated many of the appliances. Close to the Historic Woodstock Square which offers unique shopping, bakeries and a delicatessen. Several restaurants offer a variety of dining opportunities. It is close to the train station, schools, parks, and activities you can walk to. Top quality construction, beautiful hardwood floors, and cozy fireplace add to the elegance. A large kitchen with SS appliances and granite countertops with breakfast bar and eat in space. 1000 sf English basement , 9.5 ceilings in LL which includes spacious family room and separate den/office/workout room. Includes 3.5 bathrooms and 2nd floor laundry room. A vaulted Primary bedroom with en suite. Attached 2 car garage and oversized balcony. This unit has been designed for the possibility of an addition of an elevator. That space is now a 1st floor landing and second floor loft. See attached documents for complete list of improvements.
