## Overview

2-bedroom, 2-bathroom custom built log house on 5 acres of land. This home is approximately 1,800 sq. ft. (per CAD) with a wraparound porch on three sides. Inside the home you will find a very spacious living area with a wood burning fireplace, bar/wine rack area, and a large office that could easily be used as a third bedroom. Primary bedroom is extremely large with oversize closets, an exterior door leading to the backyard. The bathroom has recently been renovated with new tile floors and a brand-new walk-in shower. The entire inside of the home is updated with fresh paint and new carpet. The custom wood finish inside is absolutely beautiful. Outside you will find a small storage building, half acre pond, and beautiful oak trees that are scattered throughout the property. The land is fenced that allows plenty of room for horses, 4H projects, or a small animal operation. Located 7 miles east of Centerville off HWY 7 west, LEON ISD.
