Overview

UNIT #1 Eagle Ledge, a Site Condominium. Build your Door County dream home in this highly desirable location just south of downtown Fish Creek. Eagle Ledge is comprised of 16 private homesites nestled into a beautiful natural setting on the former Redmann Family legacy property. This new site condominium is adjacent to the to-be-expanded Fish Creek Park. Units are served by municipal sewer, with electric, cable, and internet on site. Basic condominium provisions protect your investment. Association is responsible for the maintenance and plowing of the common element roadway. Build now or invest for the future.
