## Overview

Coming Soon; Showings Start Sunday, July 21. Photos/Video/Floor-plan will be uploaded soon. This historic home has been meticulously transformed into your forever haven, merging timeless charm with contemporary elegance. The spacious main floor boasts an open layout, featuring an impressive kitchen equipped with high-end CAFE appliances, seamlessly flowing into the backyard oasis. A unique fireplace, crafted from repurposed bleachers from the old Morton Junior High, adds a touch of character to the main living area. Upstairs, the primary bedroom is a sanctuary, complete with a luxurious en suite and convenient laundry facilities. Two additional bedrooms and a perfectly appointed full bathroom grace the second floor, while the versatile/finished attic space currently serving as a game and theater room. The finished basement includes an extra bedroom, a spacious living area, a full bath, and ample storage, with a separate entrance ideal for a college student, in-law, or private guest space. Outside, the grand corner lot property is professionally landscaped with a fully fenced backyard, featuring an inviting in-ground saltwater pool (San Juan 2020), fire pit, patio, and basketball court. The heated garage adds extra convenience. No need to put out your parade chairs here when you can enjoy the festivities from your gorgeous front porch! This home is a perfect blend of history and modern luxury, ready to be your forever home. This home is an absolute must

see!
