Overview

Ocated only 7 minutes from Huntington TX in the Huntington School District, this 17.355 Acres of beautiful timberland is perfect for anyone who has been looking to build or establish a homestead in a private area. Almost 5 acres of mature oak trees meander the creek in the front. This creek has water most of the year, and keeps game on or near this property. The remainder of the property is blanketed in well managed 12 year old pine plantation. A homesite and main entry road have already been cleared. One could continue the clearing beneath these pines with relative ease to open up much more of the property.
