Overview

Embrace a rare opportunity to build your dream home on 41.30 acres of sheer tranquility with deeded access on Lauren Lane. Nestled in a lovely family friendly neighborhood, your own private Wildlife Sanctuary features a buildable lot surrounded by lush, wooded uplands that descend to picturesque wetlands. Great Brook runs through the property for exploration and fishing adventures. Enjoy established private walking and biking trails. The property adjoins conservation lands on multiple sides, all while being close to Springfield, Hartford, Bradley International Airport, and the Berkshires. Property to be perked shortly and the home site is to be cleared.
