Overview

City of Hudson NY A wonderful early 2 story townhouse has just been completely restored and renovated on the inside and out. The interior and exterior have all been freshly painted. New front entry steps have been added along with a new portico capped with a copper roof. The hardwood oak floors have all been refinished and recoated. All the plumbing pipes and electric lines have been replaced. The kitchen has all new Energy Efficient appliances. The ground floor has an inviting light filled living room with an old style stone and brick fireplace, a spacious kitchen and 1/2 bath/laundry room and an additional back room with a sliding glass door that leads to the back porch and lovely backyard garden area. Upstairs are 3 large bedrooms and 2 new bathrooms with tiled showers. A great location on lower Union Street close to the Waterfront River Park, kayak/boat launch and the Amtrak Station. A truly wonderful home.
