## Overview

Well maintained home in Lorena ISD set on a beautiful 3-acre lot. This home has a large living area featuring a wood-burning fireplace and parquet wood floors. The kitchen has a freestanding range, built-in microwave, pantry, and refrigerator, while the breakfast area offers a delightful view of the backyard. The spacious primary bedroom features a tray ceiling and an en-suite bathroom with a separate shower. The home also includes a practical laundry room with ample freezer space. Step outside to enjoy the covered back porch and fenced backyard, complete with mature trees providing ample shade and privacy. Additional highlights include gutters, an attached side-entry 2-car garage, and a sizable workshop with electricity perfect for any hobby or project. This property offers the ideal blend of comfort, functionality, and space. Dont miss out on this unique opportunity! \$419, 900
