## Overview

Spectacular 21+/- acre ranchette that's turn-key ready for you to bring your family, cows and horses! This property includes a beautifully remodeled main home and fully renovated and updated guest house that both overlook the tranquil pond and rolling hills. The main home includes 3 spacious bedrooms, 2 bathrooms and a wonderful floor plan throughout. You will enjoy all new EVERYTHING inside and out including electrical, plumbing, HVAC, roof, septic, irrigation and much much more. These two homes left no detail undone and were done with all top-of-the-line finishes. The exterior of this property includes a great sized pond, 8 stall horse barn, gated entry and is completely fenced. The location of this property is ideal and is within minutes of all that Robinson as well as Waco have to offer all while still encompassing the quiet country lifestyle.
