Overview

Don't miss this renovated 3 bedroom one level home. Updated with LVP flooring - Granite counters, updated bathrooms, split bedroom plan a cozy living room with a wood burning painted brick fireplace. Open living/ dining/ kitchen, with a two car garage and large level yard. An inviting front porch with cable railings invites you to sit and enjoy a morning coffee. There is a back yard shed for more storage. Currently being used as a sort term rental, you can do the same or make it your forever home. Convenient location and east access to 211 or 15/501. 3 bedrooms, 2 baths updated and move in ready - there is nothing not to love about this pretty house.
