Overview

Nestled on a prime lot in Whitmoor, this custom-built home offers views of the South golf course. The home has extensive updates w/ meticulous attention to detail, featuring custom molding and trim. The main level showcases a designer-updated, kitchen with quartz countertops, new fixtures, and all new Thermador luxury appliances. The oversized island in the kitchen seamlessly flows into the great room, which is adorned w/ a wood-beamed ceiling and golf course views. The large dining room w/ new hardwood floors and fresh paint, is accessible through the wet bar. A richly paneled study adds a touch of sophistication on the main level. Upstairs, the primary suite impresses w/ coffered ceilings, ample natural light, a spacious bath w/ a double vanity, jetted tub, separate shower, and a custom walk-in closet. The walk-out basement features a home theater, wet bar, large workout room w/ suspended flooring, steam shower, and sauna. The backyard allows a new owner to dream big w/ endless possibilities!
