Overview

Beautiful 3 bed, 2 bath home with an open floor plan. The 8' residential ceilings throughout offers a residential appeal. The kitchen includes white contemporary cabinetry, upgraded stainless steel appliances, goose neck spigot over double stainless-steel sink, large entertaining island, recessed lighting and plenty of storage. The sliding glass door off the dining area makes this home warm and bright and leads to the full-length covered porch which is the perfect spot for entertaining. The master suite has a very large walk-in closet, and the adjoining bath offers a spacious corner shower, 36 vanity and a half wall water closet for privacy. This stunning home is a must see!
