Overview

Looking for a home with land? Make this beautiful brick home sitting on 11 acres yours! Interior features 3 bdrms, 2.5 baths, spacious living rm, dining rm, and kitchen, 3/4 hardwood flooring, lots of storage space, many deep closets throughout, updated windows with blinds inside, and a fully finished walkout basement with woodstove insert fireplace. This beautiful 11 acre property features a 40' x 50' metal shop/barn with electric and concrete floor, two add'l storage buildings, a 22 KW propane whole home generator, and a cellar area housing water heater (has inline water filter), and well components that would be great for a storm shelter. Acreage could be leased for crops, pasture, or have your own conveniently located hobby farm!
